TOURNAMENT RULES

TOURNAMENT FORMAT:

DodgeBRAWL teams are made up of 6 players. The tournament format (round robin vs. single elimination vs. double elimination) will depend on the number of teams entered in the tournament.

Each game will have two referees and a timekeeper. Referees will indicate when a player is out by pointing at them. However, they may not see every shot; the expectation is that players will be honest and leave the court if they are out. The referees are there to reinforce the rules and their decision is final. Referees may stop play by blowing the whistle, but the clock will not be stopped. At the end of each game, the buzzer will sound. Players are to remain in their positions on court so that the referees can count the number remaining on each team. The referee will then release the players.

THE GAME:

The object of the game is to eliminate all opposing players by getting them 'out', by:

- Hitting an opposing player with a live* thrown ball below the shoulders (shots to the head are not allowed)
- Catching a live ball thrown by your opponent before it touches the ground.
- A thrown ball can only eliminate one player at a time
- Players must be inside the court boundaries to throw a ball
- Players may not cross the center line into opposing territory

**A 'live' ball is a ball that has been thrown before time expires and has not touched anything (floor, another ball, another player, an official)*

HOW TO PLAY THE GAME:

Balls are placed on the center line – three on one side and three on the other. The game begins with players positioned on the court behind the back line. When the referee gives the signal, players race for the balls which are placed on the center line. Players may only retrieve the three balls located to their right side of the center line. Once a ball is retrieved, the player must retreat behind the attack line before it is thrown.

Each game will be a maximum of 6 minutes in length or when all players on a team are eliminated. If no team has eliminated all of the opposing teams' players at the end of regulation time, the team that has eliminated the most players will be declared the winner. An equal number of players at the end of regulation time will result in an overtime match. All players who were in at the end of regulation will stay in. Three balls will be given to each team. The first team to get a single opponent out will be declared the winner.

You are OUT when:

- A live thrown ball hits your body
- You throw a ball and it is caught by your opponent
- You hit an opposing player in the head. Shots to the head are not allowed in DodgeBRAWL.

Eliminated players should move off the court quickly.

You are SAFE when:

- You dodge, duck, dip or dive at a thrown ball and it misses you
- You are hit in the head with a ball
- You catch an opposing player's ball**
- You block a ball with a ball you are holding

***Caught Ball Rule: When a player catches an opposing player's ball, one of the catcher's teammates (the player who was first out) may re-enter the game.*

If you are still playing at the end of regulation time, please stay on the court so that the referee may count remaining players.

GET A LIFE: A WAY TO RE-ENTER A GAME (AND SUPPORT JEREMIAH SCHOOL!)

Prior to each game, players can elect to "Get a Life" for a donation of \$25. These can be purchased prior to the event or on game day at the concession stand. Buy a Life allows you to re-enter a game when you have been eliminated. Only one Get a Life per player per game is allowed. To re-enter a game, hand your Get a Life token to a referee. **Note:** Get a Life cannot be used in the last 1 minute of the game, or in tie-breaker games.

THE MOST IMPORTANT RULE:

Have a great time, knowing that you are supporting our unique and talented Jeremiah School students!
