

2023-24 Authorization to Assist with Self-Administration of Medication

Medication shall be administered only when the student's health requires that it be given during school hours. It is the parent/guardian's responsibility to bring this medication to school and remove any unused medication when treatment is completed. A separate form for each medication to be administered must be completed.

All prescription medication must be brought to school in the original container. The pharmacy label must include the following:

- Name of student
- Prescription number
- Name of medication and dosage
- Administration route or other directions
- Date
- Licensed prescriber's name
- Pharmacy name, address and phone number

All non-prescription or Over the Counter (OTC) medication must be brought to school in the original container manufacturer's labeled container with the ingredients listed and the child's name affixed to the container. The OTC medication should have legible expiration date and should not be expired. Expired medications are unable to be administered. Herbal/homeopathic medication shall be administered only with a physician's order and a completed medication form signed by the parent.
